

NEMO SPORT

A complete dive computer in a sporty watch

- Light, durable and easy to use
- RGBM Sport algorithm for air and Nitrox dives
- Watch menu with alarm clock and dual time

NEMO SPORT INTERFACE

code: 414310

Nemo Sport dedicated USB interface for transferring data to your PC.

The thermoplastic case and steel battery cover create a strong, light watch-style computer. Precise design and extraordinary attention to details have produced a sporty and elegant piece for everyday use.
