

COLOR & SIZE IDENTIFICATION

Mares found a solution to help you in your daily business; by introducing a new quick and easy Color & Size identification system on all products. This new system will allow you and your staff to immediately identify the different sizes of your Diving Center and rental equipment just by looking at the color codes.

DIVING CENTER PRODUCTS

REGULATORS

MR12¹ R2

Regulator front cover grey
code 416806

Rover Octopus
code 416505

Regulator Rover

Rover 12 code 416178
Rover 2 code 416179

A regulator specifically designed to meet your needs as a Diving Center. Reliable, safe and durable. The Tri-material valve in Rover 12 is a Mares patented innovation, created to optimize performance, safety, and reliability over time. A mid-size second stage with a soft cover that's easy to use, even when wearing thick gloves. Available in different colors to make it easy to identify. The Rover regulator is also available in a version with an R2 piston first stage.
